'For all your identity needs'

Our Identity Products for Utilities

Lanyards – Plain, Pre-printed or Personalised

Our catalogue is bursting with a wide variety of different lanyards, from plain to pre-printed & even flashing neon safety colours. However, we also supply personalised lanyards, of which there are many options available, including different widths, colours, print types & clips. For a quote on your lanyards please contact us on the details below.

All stock lanyards are available for next working day delivery and personalised lanyards available in as little as 2 working days.

ID Cards & Name Badges

Thanks to our in-house bureau we take away all the stress of printing your ID cards.

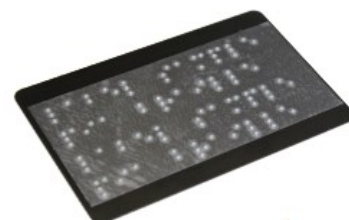

We will work on a design with you, ensuring it conforms to your brand & includes all the information you need. Once the design has been authorised we print and, if required, encode your cards and can ship them out within just a few working days. We can print any number of cards for you, with a variety of different techniques from dye sublimation to litho print. Depending on your design and the quantity you require - we'll advise the best print option for you.

Braille Stickers

In the Utilities industry, having your identification in braille on your ID card can be crucial when visiting people's homes, however adding braille directly to a card can be extremely expensive. Our braille stickers offer a quick and cost effective solution. We print your chosen details on the sticker then you simply attach them directly to your existing ID cards. No need to reprint or reissue any cards and the original information can still be seen through the sticker.

ID Card Centre - for all your identity and access control needs

Accessories

There are many different options for securely displaying your ID cards but by far the most popular is a cardholder. With many different coloured cardholders, including a double sided option available, we're sure to have the right solution for you.

Alternatively you can purchase yo-yo badge reels, these can be personalised with your logo by using an acrylic dome.

Also on our website are a selection of different card storage boxes and racks, clips and fittings in many different styles to ensure you can store & display your cards in a way that suits you.

ID Card Printers & Consumables

We are authorised resellers of ID card printers from all leading, trusted manufacturers including Evolis, Magicard, Datacard, IDP, Zebra and Fargo.

We also stock all major brands of printer ribbons, cleaning kits, spare parts and accessories - all available for next working day delivery.

If you can't see the item you need on our website, please call us on the details below.
